Celebrating Cambridge Seniors – Food Bank Initiative

This Thanksgiving, instead of having a "food" drive for the Food Bank, the *St. Thomas Seniors' Outreach Group* is asking you to consider making a monetary donation to help pay for expenses incurred in setting up and delivering the new monthly program to local seniors. The funds would be used for things like printing sing-along song booklets and providing a healthy snack at each meeting. If you use weekly envelopes, simply add

your donation to your weekly givings and clearly indicate how much you would like designated to the Food Bank Program. If you are a monthly "automatic debit" giver and don't have envelopes, please use one of the special yellow envelopes in the Narthex and clearly write your name on it. All donations will receive a tax receipt.

A VERY SPECIAL RECIPE... Dick Clifton's Meatloaf

Potluck meals here at St. Thomas Church over the past years have proved to be very popular. Enjoyed by all, Dick's meatloaf was always "a winner".

Dick and Olive Clifton were long time parishioners who resided on Selkirk Street. They were both actively involved in the church's work, spanning over four decades. Dick was St. Thomas' verger for a number of years

1 egg

1 1/2 lbs lean ground beef

following retirement. Always a faithful worker, Dick kept the church clean and welcoming to all parishioners and visitors alike. For Dick's 95th birthday, the Ladies Guild (ACW) put on a lovely luncheon, attended by many guests. Dick's passing was October 2005, at age 97. We remember Olive as a charter member of the Ladies Guild. As social convenor, Olive, for many years, kept the kitchen always well-organized and spotlessly clean. "Olive's Kitchen" is a plaque placed in her honour following retirement. Sadly, Olive's passing was February 1994 at age 85.

Please try Dick's recipe! (Submitted by Helen Miller)

1 envelope Lipton onion/mushroom soup mix

1 cup soft bread crumbs

4/ .

½ cup water ¼ cup catsup

Preheat oven to 350°F. In medium bowl, combine all ingredients. Shape into a loaf pan. Bake 45 minutes or until done. Makes 6-8 servings.

PASTOR'S PONDERINGS

In a land of plenty like Canada, people are quick to give thanks for all sorts of people who are responsible for putting food on our tables: the farmers, the grocers, the mothers & many others who

prepare meals for us, the people who serve us—the litany goes on. And we are rightly grateful to these people (among countless others) for enabling us to live at such a high standard. The trouble is, at most tables across Canada, the giving of thanks stops there — short of giving thanks to the One from

whom every good thing comes. And so, as we gather with our families & neighbours this Thanksgiving, let us thank God for them, & for all the good things we receive at God's hand, above all, for the means of grace & hope of glory in Jesus Christ, the true provider of every feast.

OUR "VERGER EXTRAORDINAIRE" HAS RETIRED

As announced in church a few weeks ago, our wonderful verger, Mike Dooley, who has been keeping our church property (inside and out) in tip top condition for many years now, has decided to take a well-deserved retirement from the job in order to enjoy a little more time at his trailer and cottage. A BIG THANK YOU to you, Mike, for your diligence over the years! As you can imagine, trying to fill Mike's big shoes has not been easy. Unfortunately, there are no parishioners able to take on the job so we've had to divide it up into 3 separate positions and hire people from outside to fill them:

1) Cleaning Person:

After looking into a number of options, we've hired a lovely lady named Alisha to take over the cleaning of our church. Alisha currently cleans St. Paul's Lutheran church and has been recommended to us by them. If you see Alisha working in the church, please say hello and make her feel welcome. We will continue to hire Mike and Kevin for occasional, big jobs such as the annual stripping and waxing of the basement floor.

Lawn Maintenance: Jim Brown (Kathy's husband) has graciously volunteered to take on the grass cutting and trimming in the summer. Whenever he's away on vacation, we will be calling on our new "Church Mice" (see below) to help cover the job.

Snow Removal:

The council has decided to hire Nathan Ames, a local contractor, to take on the snow plowing of our driveway, sidewalk and front entrance. Nathan comes highly recommended to us and has gone out of his way to accommodate our needs at a price we can afford.

St. Thomas "Church Mice"

Since we no longer have a full time Verger, we are asking our "younger, physically able" parishioners to add their name to a "pool" of people who are able and willing to help out with occasional jobs around the church, such as:

setting up and taking down tables & chairs before and after events / occasional lawn work / cleaning windows / changing light bulbs / etc.

You don't need to be able to do all of the jobs, but just willing to help out with 1 or 2 once in a while. From your church council \rightarrow thank you so much! \odot

A REFLECTION ON HAPPINESS

by a wise person, though the internet is not quite sure who....

"You can have flaws, be anxious and live angry at times, but do not forget that your life is the greatest company in the world. Only you can prevent it from going downhill. Many appreciate, admire and love you. If you thought that being happy means not having a sky without a storm, a road without accidents, working without fatigue, relationships without disappointment, you were wrong. Being happy is

not only enjoying the smile, but also reflecting on sadness. It is not only celebrating successes, but learning lessons from failures. It is not just being happy with the applause, but being happy in anonymity. Life is worth living, despite all the challenges, misunderstandings, and periods of crisis. Being happy is not a destination, but an achievement for those who manage to travel within themselves. To be happy is to stop feeling the victim of problems and become the author of your own story, to go through deserts outside of yourself, but manage to find an oasis in the depths of your soul. To be happy is to give thanks for each morning, for the miracle of life. To be happy is not to be afraid of your own feelings. To be happy is to know how to talk about you. It is having the courage to hear a "no". It is feeling safe when receiving criticism, even if it is unfair. It is kissing children, pampering parents, living poetic moments with friends, even when they hurt us. To be happy is to let the creature that lives in each one of us live, free, happy and simple. It is having the maturity to be able to say: "I was wrong." It is having the courage to say "sorry." It means having the sensitivity to say, "I need you." It means having the ability to say "I love you." May your life become a garden of opportunities to be happy. May your spring be a lover of joy. May you be a lover of wisdom in your winters. And when you make a mistake, start over from the beginning. Only then will you be

passionate about life. You will discover that being happy is not having a perfect life. Let your tears water tolerance. Use losses to train in patience. Use mistakes to sculpt serenity. Use the pain to polish the pleasure. Use obstacles to open intelligence windows. Never give up. Never give up on people who love you. Never give up on happiness, because life is an incredible spectacle".
